Cricket Tickets

There once was a cricket who got 3 tickets while driving to the mall Saturday
He saw his friend the big white hen and this is what he had to say

Have you ever seen a purple hippo dancing in France
He danced he pranced in poca dot pants
And that was the end of his day

There once was a lizard in the middle of a blizzard as cold as an ice cream cone
He coughed, he sneezed right into the breeze. And now that lizard's alone

Have you ever seen a purple hippo dancing in France
He danced he pranced in poca dot pants
And that was the end of his day

There once was a bunny who was really funny
He wanted some honey from the tree
He hopped He bopped and then he flopped
Right on to the middle of the street
You're not going to believe what happened on that street that day

Along came the cricket who got 3 tickets and blew that bunny away!

Have you ever seen a purple hippo dancing in France
He danced he pranced in poca dot pants
And that was the end of his day

This is the end of our story, We swear that it's all true
And if you don't believe it
Then something's wrong with you. HEY!

Chicken Rock Star

One day I went to the ocean And I saw a cool rock star.
The rock stars assistant was a chicken
and the chicken was playing a guitar.

Then some people in a boat With a Billy goat said
"How would you like a ride?"

And they said yes but the boat was a mess,
but they still got inside

So, the boat started going towards an island
and the trip would be an hour or two

But they saw something in the water and they said,
"Hey, who are you?"

It was a big fat whale with a giant tail
swimming towards the chicken and the goat
It opened it's mouth north and south
and oops there went the boat.

Now they're all living in the Whales belly,
but they started playing their guitars

And the whale started going kind of crazy
so he coughed and they went pretty far
They landed on the island and they all were smilin'
because there was no whale
So they played their rock song and they all got along
And that is the end of our tale.

Dog Named Bob

I knew a dog named Bob and he lost his job

Gave them a pill and it made them both chill and they're no longer ill, because of that pill, and they live on a hill where they both like to grill..... Burgers

So they had a kid and he smelled liked squid
So they washed him down so he wouldn't frown
But the smell came back, they called Dr. Jack
He was told to eat A Big Big Mac
He ate it so fast that the cure didn't last

Hairy Foot

Isn't it a bummer when you get gum on a hairy foot
Especially in Summer when you get gum on a hairy foot
When you try to pull it off, it makes you scream and cough
Cause when the hair comes out, you just might shout
When the skin peels off
You really need a band aid when you pull hair off a hairy foot
Especially in Summer when blood comes out of your hairy foot
But I start to feel real numb When I chew that hairy gum
And I almost choke, I almost croak And I feel pretty dumb
I've got a hairy foot You've got a hairy foot too
So don't laugh at me or I'll be laughing at you
We've all got hairy feet.
Isn't it a bummer when you get gum on a hairy foot
Especially in Summer when you get gum on a hairy foot
When you try to pull it off, it makes you scream and cough
Cause when the hair comes out, you just might shout
When the skin peels off
I've got a hairy foot You've got a hairy foot too
So don't laugh at me or I'll be laughing at you
We've all got hairy feet.

When you're sailing a ship or you'll do a flip
And if you don't pay attention to the wheel

I saw a wise old monkey To get some great advise
And this is what he told me Before he ate some rice
He said: I use to have a little toe too, Then I went to a
penguin at the zoo And he told me just what to do
So you need to see that penguin dude.
I went to see that penguin and his name was Frank
I had to wait 10 minutes cuz he was at the bank
He wore a black tuxedo – with a purple shirt
I thought I really liked him, until he called me squirt
He told me:
There's nothing wrong with a little toe Stop eating broccoli
and it will grow And if you see that monkey guy
Just tell him that Frank said hi.
So I stopped eating broccoli and my toe grew and grew
If you stop eating broccoli then your toe will grow too
I went back to that monkey and then I said to him
Now my toe is longer, but now I cannot swim

Even if you think there's no way that he could
When he was born he ate bad corn
So now he's demented his costume is rented

Whose name was Kooky Koo
Kooky Kooky Kooky Kooky Koo

He had a little friend – Just around the bend
A silly funny jumpy Kangaroo
And they would play tag and video games
And they would go to school
But sometimes they'd fight with Lions and Bears
And that wasn't very cool.

Chorus:

The Parrott would land on a buffalo's head
And it would get real sad
And the kangaroo would say that's okay
But the Buffalo still got mad

Chorus:

The Kangaroo would jump around all day
Because he was happy as could be
And then they played outside in the sun
Out by the old oak tree

Chorus:
